What Buyers Say About CDATF

Many people in Korea and other countries may not yet be familiar with CDATF. But once you attend, you'll discover numerous outstanding companies hidden like gems. This fair is truly a treasure trove for sourcing, and I highly recommend it.

Min Hyunsik, Secretary-General, Seoul On-line Business Association, Korea 🇰🇷

Cooperating with Chinese suppliers has been a great experience – communication is smooth, and their ability to respond quickly to market changes gives us real confidence.

Sung Jin Park, Vice Chairman, Yiwu Korean Chamber of Commerce, Korea 🇰🇷

Chinese manufacturers stand out with their ability to produce at scale and quickly adapt packaging or design. For us, it's not only a chance to source the right products for the Vietnamese market, but also to learn and bring back valuable improvements.

Le Bach Long, Chairman, Dong Nai Young Entrepreneurs Association, Vietnam 🇻🇳
